8.02.050 PUBLIC PROTECTION FROM DOGS (County Code § 6.04.050).

(a) No Owner or possessor of a dog shall cause or allow such dog to bite, or physically threaten or harass any Person unless necessary to protect the physical safety of a Person.

(b) Every Owner or possessor of a dog shall prevent such dog from causing injury to another animal while such animal is lawfully upon public or private property. The failure of the Owner of a victim animal to have the animal on a leash shall not, in itself, constitute a mitigating factor in any attack.

(c) No Owner or possessor of a dog shall command or provoke such dog to attack, sic or threaten a Person unless such action is necessary to protect the physical safety of a Person.

(d) No Owner or possessor of a dog that resides in another county and is found to have violated this section shall thereafter allow such dog to be brought into the County unless the dog is fully enclosed in a vehicle and passing through to another location without stopping at any public or private premises within the County.

Section 10. Section 8.02.060 of the San Mateo Municipal Code is amended as follows:

8.02.060 PROHIBITED CONDUCT (County Code § 6.04.060).

No Owner or other Person having care, custody or control of any animal shall cause or permit it to do any of the following:

(1) the animal is properly licensed, if such licensing is necessary hereunder, and

(2) the animal is controlled by a chain, lead rope, or leash, which is connected to the animal's collar, saddle, harness, or halter. This latter requirement is not applicable to cats, or to Service Animals under the complete control of the Owner or Caretaker.

An electric or invisible fence does not constitute an enclosure for the purpose of this requirement.

(b) To trespass upon any private property without the consent of the Owner thereof, and to knowingly permit the animal to remain upon the property, or to habitually continue to trespass thereon.

(c) To suffer or permit such animal to habitually bark or meow or otherwise act to disturb the peace of any citizen or to be a public nuisance.

(d) To be without proper and adequate food, water, shelter, care, and attention.

(e) No Person shall possess within the County any animal designated by another jurisdiction as "potentially dangerous", "dangerous", or "vicious," or other designation based on the animal's potential danger to humans and/or animals, without previously notifying Animal Control and receiving express written permission from the Animal Control Program Manager for the animal's presence or residence in the County. A failure to receive prior permission is in itself a sufficient basis for an Animal Control Officer or peace officer to seize and impound such animal.

(f) Subsection (a)(2) of this section shall not be applicable to cats.

Section 11. Section 8.02.070 of the San Mateo Municipal Code is amended as follows:

8.02.070 PROTECTION OF ANIMALS IN MOTOR VEHICLES (County Code § 6.04.070).

(a) No Person shall leave or confine an animal in any unattended motor vehicle under conditions that endanger the health or well-being of said animal due to heat, cold, lack of adequate ventilation, lack of water, or other circumstances that could reasonably be expected to cause suffering, disability, or death of said animal.

(b) An Animal Control Officer, Humane Officer or peace officer may remove an animal from a motor vehicle if the animal's safety reasonably appears to be in immediate danger from heat, cold, lack of adequate ventilation, lack of water, or other circumstances that could reasonably be expected to cause suffering, disability, or death to the animal. An Animal Control Officer, Humane Officer or peace officer is authorized to take all steps that are necessary for the removal of such animal from the motor vehicle, including, but not limited to, breaking into the motor vehicle, after a reasonable effort has been made to locate the Owner or other Person responsible.

(c) If an animal is removed from a motor vehicle as set forth herein, the removing officer shall, if deemed necessary by the officer, take it to an animal shelter, veterinary hospital, or other place of safekeeping.

(d) An Animal Control Officer or peace officer who removes an animal from a motor vehicle shall, in a conspicuous location on or within the motor vehicle, leave written notice bearing their name and office, and the address of the location where the animal can be claimed. The animal may be released to the Owner only after payment of all fees that have accrued for the maintenance, care, medical treatment, or impoundment of the animal

(e) Nothing in this section shall preclude prosecution under both this section and California Penal Code Section 597 or any other provision of state or local law.

Section 12. Section 8.02.080 of the San Mateo Municipal Code is amended as follows:

8.02.080 RELEASE FROM CONFINEMENT (County Code § 6.04.080).

No Person other than the Owner, or Person authorized by the Owner of the animal shall release any animal from any confinement, vehicle, or restraint unless such release is necessary for the immediate health and safety of the animal. This section shall not apply to Animal Control Officers, Humane Officers, and/or peace officers.

Section 13. Section 8.02.090 of the San Mateo Municipal Code is amended as follows:

8.02.090 DECLARATION OF DANGEROUS ANIMAL (County Code § 6.04.090).

(a) No Person shall knowingly keep, have, maintain, sell, trade, or let for hire an animal designated as Dangerous under this Chapter without obtaining a Dangerous Animal permit from the Animal Control Officer. The animal Owner shall comply with all conditions of the Dangerous Animal permit including, but not limited to, all requirements of section 8.02.100. Any animal which is determined to be Dangerous under this Chapter and for which a permit has not been obtained shall be surrendered to an Animal Control Officer, peace officer, or a County animal control contractor agency for appropriate disposition, which may include humane euthanasia.

(b) In determining whether or not an animal shall be designated as Dangerous, the Animal Control Officer, peace officer, or hearing officer may consider any relevant facts and circumstances, including but not limited to:

(1) the alleged attacking animal's prior history.

(2) the alleged attacking animal's Owner(s) ability to comply with this Chapter, and/or compliance with any prior Dangerous Animal permits held by the alleged attacking animal's Owner(s).

(3) whether any of the animals involved were previously deemed by a governmental jurisdiction as "potentially dangerous", "dangerous", "vicious" or any other similar designation.

(c) In determining whether or not an animal shall be designated as Dangerous, the Animal Control Officer, peace officer, or hearing officer, may consider the following mitigating factors:

(1) Whether at the time of the injury, attack or molestation, the Person or animal suffering the injury, attack or molestation:

(A) provoked, tormented, teased, abused or assaulted the animal, thereby causing or contributing to the alleged behavior;

(B) committed a willful trespass or other tort upon the private property of the Owner or Caretaker of the animal in the presence of the animal;

(C) threatened or committed an unjustified attack or assault against the Owner, Caretaker or other Person in control of the animal in the presence of the animal.

(2) Any other mitigating factor relevant to whether the animal poses a threat to public health or safety. The failure of the Owner or Person in control of a victim animal to have the victim animal on a leash shall not, in itself, constitute a mitigating factor in any attack.

(d) The unwillingness of a victim or a particular witness to testify at a hearing shall not prevent designation of an animal as a Dangerous Animal, as long as sufficient evidence exists to support the designation.

(e) In the event that an Animal Control Officer or peace officer determines it necessary to protect the health or safety of the public, or of any animal, they may immediately impound any animal according to the procedures set forth in this Chapter.

(f) If an Animal Control Officer or peace officer has investigated and determined that an animal is Dangerous, the Animal Control Officer or peace officer shall deliver written notice of such determination to the Owner of the animal pursuant to section 8.02.260.

(g) Should the Owner of the animal wish to contest the Dangerous Animal designation, the Owner may request a hearing, which hearing shall be conducted according to the procedures set forth in section 8.02.150 of this Chapter. The Owner shall submit a written request for a Dangerous Animal hearing to the Animal Control Officer within seven (7) calendar days of the written notification by the Animal Control Officer and/or peace officer that the animal has been declared Dangerous.

(1) Should the animal Owner not submit a request for an administrative hearing within the required timeframe, the administrative hearing process shall be deemed waived, the Dangerous Animal designation will be final, and the animal Owner shall obtain a Dangerous Animal permit within seven (7) calendar days of the written notification that the animal has been declared Dangerous.

(2) If the animal Owner requested a hearing and the hearing officer confirms the determination that the animal is Dangerous, the Owner must obtain the Dangerous Animal permit and meet the conditions required by such permit, within seven (7) calendar days of notice of such decision, unless the time is extended by an Animal Control Officer.

(3) If an animal is designated as Dangerous, but the Owner fails to obtain a Dangerous Animal permit within the required timeframe, the animal will be deemed abandoned, and will be subject to disposition as deemed appropriate, including potential euthanasia by the County's animal control contractor, at the discretion of the Animal Control Officer, peace officer or City or County representative. If not already impounded, the animal will be promptly impounded. The Owner of the animal shall be responsible for all costs of impoundment of the animal incurred prior to such abandonment.

(h) If after investigation by an Animal Control Officer or peace officer, that officer determines that the animal is not Dangerous, the victim or an Owner of a victim animal may appeal that determination, within seven (7) calendar days of notice of the decision given pursuant to section 8.02.260, by submitting to the Animal Control Officer or peace officer a written request for a hearing and paying the required fee. The Animal Control Officer or peace officer shall prepare a written report documenting its reasons for determining the animal not Dangerous and shall include evidence it has considered for and against the designation in its report. The hearing shall be conducted according to the procedures set forth in section 8.02.150 of this Chapter.

(i) No animal designated by the County as a Dangerous Animal may be transferred to a new place of residence or to a new Owner or Caretaker without prior written approval of the Animal Control Program Manager. Prior to the relocation, a written request for the relocation must be delivered to the Animal Control

Program Manager and the County's animal control contractor, if any, at least 30 calendar days prior to the relocation.

(j) If an Animal Control Officer declares an animal as Dangerous which has already been declared Potentially Dangerous or Dangerous by another jurisdiction located outside of the County, the Owner of such animal must obtain and comply with a Dangerous Animal permit at least seven (7) calendar days prior to moving the animal into the County. The animal shall not reside in the County until the Dangerous Animal permit has been issued by the Animal Control Program and the Owner meets the conditions of said permit.

(k) A permit issued under this section is subject to renewal annually. An annual inspection of the location where the animal resides will be performed by an Animal Control Officer. Inspections may occur at any reasonable hour and will occur at least annually. The fee for such permit and inspection shall be as set forth in section 8.02.350 of this Chapter. Fees shall not be refundable. If the registered Owner fails to pay the permit fee and/or comply with the requirements of the permit within ten (10) calendar days of the annual inspection date, the permit may be revoked and the animal may be impounded for appropriate disposition, as determined by an Animal Control Officer, peace officer, County contracted agency or City designee, including humane euthanasia.

(l) A Dangerous Animal designation is a designation that remains with that animal for its lifetime, unless terminated as provided by this subsection. A Dangerous Animal designation may be terminated if all of the following criteria have been met, as determined by an Animal Control Officer or peace officer and the Animal Control Program Manager and/or City designee:

(1) The Owner has complied with all Dangerous Animal Permit requirements for a period of three (3) years and the animal has not been found to have committed any violations of the requirements of the permit, or of this Chapter, or any other applicable animal control laws, for the duration of that period.

(2) The animal has remained current on all rabies or similar required vaccinations and has remained current on its licensing and paid all fees for the duration of the three (3) year period.

If an animal Owner disputes a finding that the Dangerous Animal designation will not be terminated, the animal Owner may request an administrative hearing to be held according to the procedures set forth in section 8.02.150 of this Chapter.

Section 14. Section 8.02.100 of the San Mateo Municipal Code is amended as follows:

8.02.100 DANGEROUS ANIMAL PERMIT REQUIREMENTS (County Code § 6.04.100).

(a) Any Owner of a Dangerous Animal shall ensure compliance with the following rules and regulations which shall be mandatory requirements for any Dangerous Animal permit:

(1) When the animal is off the property of its Owner, ensure that the animal is not kept upon any unenclosed premise unless said animal is leashed and muzzled with a cage or basket muzzle, or any other muzzle approved by the Animal Control Officer. The leash shall not exceed four (4) feet in length

and having a minimum tensile strength of 300 pounds and shall be under the direct control and supervision of the Owner or a Person of such age, size, and strength as can easily control such animal. Extraordinary care shall be taken by the Owner and/or Caretaker to ensure that such restraint is sufficient to control the animal in a manner which it will not endanger other Persons or animals.

(2) Ensure said animal is never kept on any unenclosed premises even if tethered, tied or staked.

(3) Ensure said animal is kept in a fenced yard, kennel, dog run or other enclosure, sufficient to prevent the escape of the animal or entry of young children, as approved by the Animal Control Officer or peace officer. (4) Maintain the animal so that it is not a threat to any mail carrier, sanitation worker, meter Person, or other Person who has the lawful right to enter the property.

(5) Ensure that all structures used to confine the animals are locked with a key or combination lock when such animals are within the fenced yard, kennel, run or enclosure.

(6) Regularly inspect the fenced yard, kennel, dog run or enclosure to ensure that it is secure to maintain the animal and keep young children out.

(7) Allow inspections by any Animal Control Officer or peace officer at any reasonable hour of the premises or premises upon which the animal is maintained.

(8) Pay permit and property inspection fees as set forth in section 8.02.350 within (10) ten calendar days of the permit issuance or renewal.

(9) Obtain and post approved sign(s) from the Animal Control Program after payment of a non-refundable fee as set forth in Section 8.02.350 of this Chapter. Sign(s) shall be conspicuously posted in a manner visible to the public at all entrances to the property where the animal is kept, warning Persons of the presence of a Dangerous Animal as directed by the Animal Control Officer or peace officer. (10) Advise all members who reside in the same household and on the same premises of the conditions established by the permit for keeping or maintaining said Dangerous Animal.

(11) Ensure said animal wears, at all times, a separate Dangerous Animal tag issued by the Animal Control Program in addition to complying with license requirements as defined in Section 8.02.040.

(12) Ensure said animal be microchipped and inform the Animal Control Officer with the microchip number within thirty (30) calendar days from the date the Dangerous Animal permit was issued.

(13) Within forty-five (45) calendar days from the date the Dangerous Animal permit was issued, unless this period is extended by the Animal Control Program Manager or City representative at their sole discretion, said animal shall be spayed or neutered by a California licensed veterinarian, at Owner expense, and within those forty-five (45) days, the Owner shall also present written proof to the Animal Control Officer that the surgery was performed. In the event an animal cannot be safely altered, due to a medical reason, the Owner shall present the Animal Control Program Manager and Animal Control Officer with a written request from a California licensed veterinarian stating the medical reason(s) that the animal should not be altered. The County Health Officer or designee will approve or deny the request. If said request is denied, the animal shall be altered by a California licensed Veterinarian within fifteen (15) calendar days from the date of notification that the request was not approved, and within those fifteen (15) calendars days provide such written proof to the Animal Control Officer that the surgery was performed.

(14) Notify an Animal Control Officer and the Animal Control Program Manager of the animal's death within twenty-four (24) hours and produce the animal's body for verification upon request.

(15) Notify an Animal Control Officer and the Animal Control Program Manager immediately in the event the animal becomes lost, stolen, or escapes from its fenced yard, kennel run, or enclosure.

(c) If, after investigation, the Animal Control Officer or peace officer concludes that there is probable cause to believe that one or more of the above conditions for revocation or modification of the permit has occurred, the officer shall deliver written notice of revocation or modification to the Owner. Said notice shall specify the grounds of revocation or modification of the permit. Should the Owner of the animal wish to contest the revocation or modification of the permit, the Owner may request an administrative hearing to be held before a hearing officer, as designated by the Animal Control Program Manager, within seven (7) calendar days of receiving the notice of revocation. Said administrative hearing date shall be not less than seven (7) calendar days or no more than (20) twenty calendar days after the date the request for hearing is received by the Animal Control Manager. Section 18. Section 8.02.120 of the San Mateo Municipal Code is amended as follows:

8.02.120 POSSESSION OF ANIMALS AFTER REVOCATION OF DANGEROUS ANIMAL PERMIT (County Code § 6.04.120).

No Person who has been determined to be in possession of or an Owner of a Dangerous Animal for which a permit has been revoked under this chapter shall be granted any Dangerous Animal permit for a period of three years following such determination or revocation.

Section 19. Section 8.02.130 of the San Mateo Municipal Code is amended as follows:

8.02.130 DECLARATION OF VICIOUS ANIMALS (County Code § 6.04.130).

(a) No Person shall keep, have, maintain, sell, trade or let for hire an animal which has been designated as Vicious under the provisions of this chapter.

(b) If an Animal Control Officer and/or Peace Officer has investigated and determined that an animal is Vicious, the Animal Control Officer or Peace Officer shall deliver written notice of such determination to the Owner of the animal. Service of notice shall be made in accordance with section 8.04.260 subdivision (a) of this Chapter. An Animal Control Officer and/or Peace Officer shall immediately impound the animal, or cause to be impounded, the animal according to the procedures set forth in Section 8.02.160 of this Chapter. The animal shall be deemed abandoned and shall be humanely euthanized unless the County designee or City designee has approved a different disposition or unless the Owner timely requests an administrative hearing.

(c) In determining whether an animal shall be designated Vicious, in addition to any other facts and circumstances of the incident(s), the applicable decision-maker may consider the following potentially mitigating factors.

(1) Whether at the time of the injury, attack or molestation, the Person or animal suffering the injury, attack, or molestation:

(A) provoked, tormented, teased, abused, or assaulted the animal, thereby causing or contributing to the alleged behavior,

(B) committed a willful trespass or other tort upon the private property of the Owner or Caretaker of the animal; and/or,

(C) threatened or committed an unjustified attack or assault against the Owner, Caretaker, or other Person in control of the charged animal.

The failure of the Owner or other Person in control of a victim animal to have the animal on a leash shall not, in itself, constitute a mitigating factor in any attack.

(2) Whether the Owner is willing and able to comply with the conditions of a Dangerous Animal permit, and whether the animal can be safely maintained on a Dangerous Animal permit considering the nature of the attack and cooperativeness and abilities of the Owner.

(d) The decision-maker may also consider, among any other relevant facts and circumstances, the following factors:

(1) whether any of the animals involved were previously deemed by any governmental jurisdiction as, "dangerous", "vicious", or any other similar designation, and/or the animal Owner's prior compliance or lack thereof with any applicable Dangerous Animal permit requirements or this Chapter;

(2) the attacking animal's history of attacks, bites or threatening behavior;

(3) whether the animal demonstrated such aggressive behavior that it is reasonable to conclude that the animal cannot be safely maintained with a Dangerous Animal permit; and

(4) whether the Owner is unable or unwilling to comply with the conditions of a Dangerous Animal permit.

(e) Should the Owner of the animal wish to contest the Vicious Animal designation, the Owner may request an administrative hearing to be conducted according to the procedures set forth in section 8.02.150 of this Chapter. The Owner shall submit a written request for a Vicious Animal hearing to the Animal Control Officer within seven (7) calendar days of the written notification by the Animal Control Officer and/or peace officer that the animal has been declared Vicious.

(f) Should the Owner not submit a request for an administrative hearing within the required timeframe, the administrative hearing process shall be deemed waived, the Vicious Animal designation will be considered final for purposes of exhaustion of administrative remedies, and the animal will be subject to disposition by the Animal Control Officer, peace officer, or City or County designee. The Owner shall lose all rights of Ownership and control of the animal, and the animal will be subject to humane euthanasia, unless another disposition is deemed appropriate by a City and/or County designee, without further notice to the Owner.

(g) The unwillingness of a victim or a particular witness to testify at a hearing shall not prevent designation of an animal as Vicious as long as sufficient evidence exists to support the designation.

(h) If after investigation, an Animal Control Officer and/or peace officer determines that the animal is not Vicious, the Officer will prepare a written decision upon request by any victim suffering physical injury or an Owner of a victim animal, either of whom may appeal that determination. Any victim suffering physical injury as a result of the attack, or Owner of a victim animal, may appeal the determination that an animal is not Vicious by submitting, within seven (7) calendar days of the service of the decision pursuant to section 8.02.260, a written request to the Animal Control Officer for an administrative hearing and paying the required fee as set forth in Section 8.02.350 of this Chapter. The administrative hearing shall be conducted according to the procedures set forth in section 8.04.150 of this Chapter.

The City contracts with the County for animal control services and may elect to utilize the services of any the County designated

hearing officer to conduct hearings on behalf of the City pursuant to this Chapter. The hearings shall be scheduled no less than seven (7) calendar days and no more than fifteen (15) calendar days from the receipt of the request for the hearing unless the hearing officer finds good cause for continuance.

(b) The Animal Control Officer or peace officer conducting the investigation shall provide their investigation report and any evidence gathered by the officer to the Animal Control Program Manager or designee no less than 72 hours prior to said administrative hearing. The Animal Control Program Manager or designee will promptly provide the report to the parties to the case, including the Owner of the subject dog and the Owner of the victim dog.

(c) The administrative hearing shall be conducted in an informal manner consistent with due process of law. Any party may be represented by counsel. The parties may present relevant evidence including witnesses. The strict rules of evidence shall not be applicable. Any relevant evidence, including but not limited to hearsay evidence, may be admitted if it is the sort of evidence on which reasonable Persons are accustomed to rely on in the conduct of serious affairs. The hearing officer shall decide the matter based on preponderance of the evidence presented at the hearing. The administrative hearing shall be recorded, and all documentary evidence submitted at the administrative hearing shall be preserved by the Animal Control Program Manager for a period of no less than two years. Any party may arrange for a court reporter to be present. Any party desiring the presence of a court reporter shall make all necessary arrangements and shall be responsible for payment of all costs.

(d) The hearing officer may exclude disorderly or disruptive Persons from the hearing or make other orders as necessary to ensure the fair and orderly conduct of the administrative hearing.

(e) The Hearing Officer may decide all issues for or against the Owner(s) of the involved animal(s) even if the Owner(s) fail to appear at the hearing.

(f) Within seven (7) calendar days of the administrative hearing, the hearing officer shall render a written decision, which shall be final for the purposes of exhaustion of administrative remedies upon the date of mailing. The Animal Control Program Manager or designee shall mail the written decision and affidavit/certificate of mailing showing the date of mailing, on behalf of the hearing officer, by first class mail, postage prepaid. The decision will be mailed to the Owner of the alleged Dangerous or Vicious Animal, the victim or Owner of the victim animal, and the investigating Animal Control Officer or peace officer.

(g) If the animal is designated Dangerous, the Owner must apply for and obtain a Dangerous Animal permit as provided by this Chapter within seven (7) calendar days of the decision letter in order to maintain the animal and the Owner must comply with all mandatory Dangerous Animal permit rules and regulations as defined in section 8.02.120 of this Chapter. A hearing officer may impose additional permit requirements as set forth in this Chapter.

(h) If the animal is designated Vicious, the Owner of such animal shall lose all rights of ownership and control of the animal, and the animal will be subject to humane euthanasia, unless another disposition is deemed appropriate by a City and/or County designee, without further notice to the Owner. An animal

designated as Vicious will be held at the animal shelter for a minimum of seven (7) calendar days from the date of the hearing officer's decision, prior to any proposed euthanasia.

(i) Unless the hearing officer for good cause otherwise determines, the party requesting the administrative hearing is liable for all costs related to such hearing. A determination by the hearing officer that the animal is not Dangerous or Vicious shall constitute good cause.

(j) Hearing officer decisions are appealable to the San Mateo County Superior Court by filing a Petition for Writ of Administrative Mandate pursuant to California Code of Civil Procedure, Sections 1094.5 and 1094.6.

(k) The procedures and/or definitions pertaining to potentially Dangerous and Vicious dogs set forth in the California Food and Agricultural Code Chapter 9, beginning with section 31601, are not adopted and do not apply within the County, as provided in the San Mateo County Ordinance Code. As authorized by Food and Agricultural Code section 31683, the County has adopted its own program for regulation of Dangerous and Vicious dogs as contained in this Chapter.

The animal's Owner shall be responsible for all costs incurred or fees applicable with respect to such impoundment and maintenance in the shelter.

(b) An Animal Control Officer or peace officer may impound or cause to be impounded an animal when there is reasonable cause to believe that such animal posed, or poses, a threat to the public's health and safety, or the health and safety of another animal. The animal may remain impounded for a period not to exceed fifteen (15) calendar days in order to investigate, and to determine whether or not said animal is Dangerous or Vicious as defined by this Chapter. In calculating the fifteen (15) calendar days, the first day of impoundment is not included. If an animal is not impounded within fifteen (15) calendar days after an investigation began, the Animal Control Officer or peace officer shall make a determination whether or not the animal is Vicious or Dangerous and shall notify the Owner of said animal as soon as reasonably practical thereafter.
